

JO+JAX RETURN FORM

ORDER ID: _____

First of all, bummer about the return, we really want you to look good and feel great in our stuff but if we didn't quite "nail it" the good news is it's hassle free. Return this form and your unused Jo + Jax item within 30 days of purchase and check one of the following boxes:

I love the stuff and this is just an opportunity to get more of it. Sign me up for store credit so I can get the other cute number I had my eye on.

I love the J+J products so much that I already own everything they have to offer (some things in every color). I'd love a refund and an email notice when they get new styles in.

I was so close to getting what I wanted just a little off. Please exchange my item:

Please note that you will be responsible for all shipping costs on returns and exchanges unless it was our bad (i.e. we sent you something different than what you ordered- duh!)
